

*Gentle Freedom for Your Space,
Redefining the New 30 Days*

Everfloat™ ibrex

Freedom in Space
More Freedom, More Possibility

Non-Aluminum Material × Long-Lasting Float

ibrex EverFloat is a new balloon brand that combines safety with creative freedom in spatial design. Its non-aluminum material allows safe use even near electrical wires or powered areas, while achieving sustained floating for over 30 days.

Now you can bring gentle color and lasting emotional impact to spaces where balloons were previously difficult to display.

**A New Form of Freedom
in Balloons**

**Softly Embracing
Light and Air**

**Versatile for
Any Space**
